

NEAR EAST UNIVERSITY

**DEPARTMENT OF Biomedical
Engineering**

Mode of Study

2021-2022

Mode of Study and Type of program

The Bachelor's degree program is classified as a full time program and is aimed at training Turkish, Cypriots and Foreign students. The teachings are given in English language and studies in foreign universities can be included in the student's degree in NEU, if they are suitable to substitute studies in the NEU degree program. The Department of Biomedical Engineering also has foreign teachers and researchers, which makes it possible to widen both the educational and cultural perspective of the studies of the students.
