

NEAR EAST UNIVERSITY

**DEPARTMENT OF Industrial
Engineering**

Recognition of Prior Learning

2021-2022

A student is required to have minimum pass grade from each course and obtain minimum 2.00/4.00 cumulative Grade point Average (cumulative GPA) .

The students who have successfully completed the programme should have become seasoned and competent industrial engineers prepared to meet the challenges of practicing industrial engineering in the 21st century.

Arrangements for transfer from another industrial engineering department (Recognition of Prior Learning)
