

NEAR EAST UNIVERSITY

DEPARTMENT OF Bioengineering

Mode of Study

2021-2022

Mode of Study and Type of program

The Bachelor's degree program is classified as a full time program and is aimed at training students. The teachings are given in English language and studies in foreign universities can be included in the student's degree in NEU, if they are suitable to substitute studies in the NEU degree program. The Department of Bioengineering also has foreign teachers and researchers, which makes it possible to widen both the educational and cultural perspective of the studies of the students.

Website of the higher education institute - <https://www.neu.edu.tr>

Official length of programme:

The Length of the program is 4 years (excluding one year of English preparatory class for English programme), 2 semesters per year, 16 weeks per semester.
